

## **TIER 1 PIPELINE CONSTRUCTION/MAINTENANCE SERVICE PROVIDER**

GRIT Energy Services Inc. is an approved Tier 1 pipeline construction/maintenance service provider to the Fort Berthold Indian Reservation operating in partnership with MMD Roustabout Inc.; a 100% MHA owned company. GRIT can provide exceptional service safely and cost effectively. The entire responsibility of starting the process of Tier 1 compliance starts with the customer. Initial contact for service must indicate in writing that the services are to be performed on the Fort Berthold Reservation and Tier 1 compliance is required. No credit/rebill will be allowed after that point to remedy the situation. Once work is commenced, all payment timing must meet TERO, MMD, and GRIT timing requirements.

Contact GRIT Energy Services about your upcoming pipeline needs today!
